CITY OF APPLETON.  
Saturday, Oct. 20, 1861.

Democratic Nominations.

For Governor,  
BENJAMIN FERGUSON, of Dodge.  
For Lieutenant Governor,  
HENRY M. BILLINGS, of Iowa.  
For Secretary of State,  
CHARLES S. BENTON, of LaCrosse.  
For State Treasurer,  
LUCAS M. MILLER, of Winnebago Co.  
For Attorney General,  
P. A. ORTON, Jr., of LaFayette.  
For Bank Comptroller,  
JAMES VOLLMAR, of Washington.  
For Superintendent of Schools,  
H. G. WINSLOW, of Racine.  
For State Prison Commissioner,  
JOHN J. CRILLY, of Milwaukee.  
For Senator of the Twenty-second District,  
T. R. HUDD.

For Member of Assembly,  
MILCO COLES,  
P. H. O'BRIEN,  
For County Superintendent of Schools,  
MARTIN GERITTS.

At the Democratic County Convention,  
held at the Court House in this city,  
on the 22d inst., the Democrats presented,  
for the suffrage of the people at the ensuing  
election, the following County Ticket:

Member of Assembly—M. Coles of Bovina,  
Reg' of Deeds—P. H. O'Brien of Freedom,  
Co. School Sup't—M. Geritts Kaukauna.  
Mr. COLES is well known to the people  
of this county, has enjoyed and does still  
enjoy as much of the people's confidence for  
integrity, as any other man in the county.  
He has for many years been prominent in  
our county affairs—having repeatedly been  
Chairman of the Board of Supervisors of the  
Town in which he resides. Two years ago  
he was elected to the office for which he is  
again presented, and discharged the duties  
of the place faithfully, fairly, and honestly,  
and we have no doubt, will be re-elected at  
the coming election by an overwhelming  
majority. His experience in legislation is  
of great value to him and his constituents,  
and will give him influence and position in  
the Assembly next winter.

P. O'BRIEN is a young man of ability  
and energy. He is a ready, elegant and  
skillful penman, and will make a competent  
and faithful Register. He has for many  
years been a resident of this county, is a  
farmer by occupation, and has, we believe,  
for several years, been Town Clerk of the  
Town of Freedom. He will be elected by  
a handsome majority over his competitor,  
H. L. Marsh, late Cashier of Outagamie  
County Bank of Kaukauna & Co.

MARTIN GERITTS is a Hollander  
by birth, has been a resident of this county  
for many years, is a thorough scholar and a  
gentleman. He has been a teacher in our  
public school about six months each year  
nearly the whole time he has resided with  
us, and speaks and writes English as well  
as his native tongue. His honesty and  
impartiality are beyond suspicion, and  
though some objections are made to him on  
account of his education in a foreign  
language, we believe, if elected, he will make  
a popular and efficient Superintendent of  
Schools. He is an ardent friend of popular  
education, and has ever taken an interest  
in our public schools.

The Democratic State Ticket commends  
itself to the confidence and support, cer-  
tainly, of every Democratic voter in the  
State. It is composed of men of ability  
and honesty, and who have been faithful in  
the discharge of all public duties hitherto  
devolved upon them. Neither is there any  
reason why men of all parties should not  
rally to their support, and secure their elec-  
tion and their services to the State. By  
the resolutions of the Convention which  
nominated them and on which they stand,  
as well as by their own opinions and their  
previous public life, they are committed to  
the vigorous prosecution of the present ven-  
eration of the Constitution and laws of  
our State government.

It there was ever a time when good and  
true men should be elected to public sta-  
tions, it is now; if there was ever a time  
when party tricksters and aspirants for  
place should be rebuked, it is now. It is  
a time when the sole issue is the salvation  
of our beneficent government and the hus-  
banding of all the resources of the State  
and country to that end, is the only object  
and interest of the whole people, we cannot  
choose pure and able men to the chair of  
State, we may begin to question the ca-  
pacity of men to govern themselves.

Not a word of reproach or suspicion has  
been, since the opening of the campaign,  
cast upon a single name upon this ticket.  
This of itself is a guaranty of its worth.  
With such a man as Benj. Ferguson for  
Governor—an honest, practical, clear head-  
ed, and true hearted farmer—who would  
not feel that the business of the State  
would be prudently and efficiently con-  
ducted?

But we will not particularize. We hold  
up the ticket to the electors of Wisconsin,  
and say we have here presented you a ticket  
composed of men who know and sympa-  
thize with the wants of the masses, who  
are competent, honest and faithful, and  
appeal to them whether it is not for their in-  
terest, the good of the State and the coun-  
try, that they should be elected.

Vote for them.

G. W. Elliott is running for the Assem-  
bly in Kewaunee county.

RAILROAD EARNINGS.—The earnings of  
the Chicago & Northwestern Railroad for  
September were \$78,928.27, being an in-  
crease of \$6,699.21 over the correspond-  
ing month of last year. The Mil. & Pr. Du  
Chien R. R. earned the first week of Octo-  
ber \$34,610.06.—R. R. Gazette.

Democratic County Convention.

On Tuesday last, this Convention assem-  
bled at the Court House in this city, and  
organized by choosing E. H. Stone, Chair-  
man, and A. Brouillard, Secretary.

A Committee on Credentials, consisting  
of Messrs. Collier, Gillett, and Phillips, was  
appointed by the chair.

Committee presented their report, which,  
on motion, was adopted.

Convention proceeded to take an informal  
ballot for Member of Assembly, which  
resulted as follows:

Milo Coles, 24; B. Douglas, 15; A. L.  
Smith, 12; J. D. Pierce, 9; Scattering, 3.  
Messrs. Douglas and Pierce withdrew  
their names.

The Convention then took a formal bal-  
lot, as follows:

Milo Coles, 52; A. L. Smith, 10; Pierce 1.  
On motion, Milo Coles was declared  
unanimously nominated Member of Assem-  
bly.

Convention proceeded to nominate a  
County Superintendent, by informal ballot:  
Martin Geritts, 39; John Stephens, 19;  
scattering 4.

On motion, Mr. Geritts was declared  
unanimously nominated.

Convention then proceeded to an infor-  
mal ballot for Register of Deeds, as fol-  
lows:

1st B. 2d 3d 4d  
P. H. O'Brien 23 42 42  
Chas. Geritts 13 17 14  
Henry O'Brien 11 9 9  
J. D. Pierce 1 1 1  
Blank, 1 1 1

P. H. O'Brien was declared unanimously  
nominated for Register of Deeds.

On motion, the chair appointed the fol-  
lowing County Committee: John Elliott,  
Collins Gillett, Martin Geritts, Horatio  
Heath, Isaac Wickware, and N. M. Heph-  
ner.

Convention ratified the nominations of  
the several districts, for County Commrs.

Adjourned sine die.

E. H. STONE, CHAIRMAN.  
A. BROUILLARD, Sec'y.

But the great mistake appears to have  
been in running a straight party ticket at  
all—The Democracy will find out ere long.  
—Editor.

Thus says our Republican neighbor in  
speaking of the Democratic County Ticket.  
"Consistency thou art a jewel!" The fact  
is, after the action of the Republican Con-  
vention, the Democrats had no alternative  
left them. But notwithstanding the loud  
protestations of this "swamp angel" sheet,  
down street, and its pratings about "Union,"  
they have been so consistent as to not only  
raise the entire Republican tickets of State  
and County, but also to labor with all  
their influence for those tickets. Their  
course reminds us of the "you take the  
turkey and I'll take the hazzard" doctrine.

From every section of the district, we  
hear the most flattering prospects of Mr.  
Hudd's triumphant election. The people  
are opening their eyes to facts in regard to  
the nomination of Mr. Balcum by the pack-  
ed "pinch backed" Convention. Plunder-  
ers of the People's dearest rights may flour-  
ish, for a time, by deception, and may suc-  
cessfully cheat honest men, but the day of  
retribution is not far distant, and when dis-  
covered, an indignant and outraged people  
will hurl them from their high places and  
cover them with ignominy and curses.  
Such will be the fate of the choice of this  
wooden-nutmeg Convention. Read Uncle  
Peter's "expose" of the whole scheme, and  
then act like honest men, and cast your  
vote and influence for Thomas R. Hudd.

LATEST.—Col. Baker, of the Cal.  
Reg't, was killed in the engagement at Ed-  
ward's Ferry. Our loss was 300 in killed,  
wounded and missing.

On the 23d Gen. Bank's division took  
possession of Leesburgh, Va.

Later dispatches from Pennsylvania show  
our loss, in the recent fight between Billy  
Wilson's "Babies" and the rebels, to have  
been 50 killed, wounded and prisoners. The  
rebels lost 350.

The N. O. light turns out to have been a  
big scare, as not one of our troops were in-  
jured.

Severe storm on Lake Huron—several  
vessels ashore.

Pacific Telegraph is complete to San  
Francisco.

WHAT DOES IT MEAN?—Intelligence  
has reached the government that immense  
stores of arms, cannon and equipments, are  
quietly collecting at Montreal by the Eng-  
lish Government. At the present rate, be-  
fore the close of navigation, there will be  
stores and arms enough in Canada to put  
an army of 120,000 men in the field, while  
there is ammunition enough in the coun-  
try for a long war. All this needs explana-  
tion.

NONLE.—Thomas Francis Mengler has  
offered the Clerkship of N. Y.—worth  
many thousand a year. If he would have  
accepted, the nomination would have been  
tendered him by all parties. But he de-  
clined, that he might go untrammelled to  
the field of battle. But the gullible soldier  
has a future. When peace shall have been  
returned, Thomas Francis Mengler will be  
among those whom the people will delight  
to honor.

DECLINE IN COFFEE.—The latest news  
from Rio (via England) advises a decline  
in coffee in that great market. This will  
be good news to customers here, who have  
to pay for the article higher prices than  
probably were ever before known.

Quite a battle took place at Edwards'  
Ferry on the 21st, in which Col. Baker was  
killed. The Union forces under Gen. Stone,  
1,800 strong, retired in good order in the  
face of 6,000 rebels.

The Wood train on the Northwestern  
road, in backing up at Milton junction,  
Thursday night, ran into a freight train,  
smashing the caboose, killing one man and  
wounding several others. The sufferers  
were Europeans.

Col. Walter S. Johnson has been appoint-  
ed Chief of the Police of the city of Mil-  
waukee.

The Pittsburgh, Ft. Wayne and Chicago  
railroad is to be sold at auction on the 24th.

For the Appleton Crescent.

Messrs. Editors: I deem it a duty  
to the public to clear my skirts of hav-  
ing any part in the political wire pulling at  
the Senatorial Convention held at this  
place. It is true I was a delegate at the  
Convention, and was also Chairman at the  
second ward caucus, the evening before,  
at Mr. Packard's office, to choose delegates  
to the City Convention to meet at Adkins'  
Hall the next morning, to select delegates  
to meet in Senatorial Convention in the  
afternoon.

I should think there were seven or eight  
Republicans and three Democrats present  
at Packard's office. I had not seen the  
printed call of the meeting but judged from  
observations made at the meeting that the  
hour had not arrived to organize, but it was  
done in-tanter, and the delegates chosen  
viva voce, contrary to the usual custom of  
balloting. After the delegates were chosen  
several persons entered the room with bal-  
lots in their hands and wished to vote.  
They were informed that the business was  
accomplished, and we then adjourned, and  
on leaving the office I met eight or ten  
more with ballots going to vote. There  
seemed to be quite a disappointment, and  
many enquiries why the caucus was held  
at a private residence and the business  
transacted with a rush—that if it was a  
bone fide Union Caucus why not keep it  
open until the greatest number could par-  
ticipate and thereby strengthen the nomi-  
nation.

On motion, Mr. Geritts was declared  
unanimously nominated.

Convention then proceeded to an infor-  
mal ballot for Register of Deeds, as fol-  
lows:

1st B. 2d 3d 4d  
P. H. O'Brien 23 42 42  
Chas. Geritts 13 17 14

P. H. O'Brien was declared unanimously  
nominated for Register of Deeds.

On motion, the chair appointed the fol-  
lowing County Committee: John Elliott,

vote and influence for Thomas R. Hudd.

LATEST.—Col. Baker, of the Cal.  
Reg't, was killed in the engagement at Ed-  
ward's Ferry. Our loss was 300 in killed,  
wounded and missing.

On the 23d Gen. Bank's division took  
possession of Leesburgh, Va.

Later dispatches from Pennsylvania show  
our loss, in the recent fight between Billy  
Wilson's "Babies" and the rebels, to have  
been 50 killed, wounded and prisoners. The  
rebels lost 350.

The N. O. light turns out to have been a  
big scare, as not one of our troops were in-  
jured.

Severe storm on Lake Huron—several  
vessels ashore.

Pacific Telegraph is complete to San  
Francisco.

WHAT DOES IT MEAN?—Intelligence  
has reached the government that immense  
stores of arms, cannon and equipments, are  
quietly collecting at Montreal by the Eng-  
lish Government. At the present rate, be-  
fore the close of navigation, there will be  
stores and arms enough in Canada to put  
an army of 120,000 men in the field, while  
there is ammunition enough in the coun-  
try for a long war. All this needs explana-  
tion.

NONLE.—Thomas Francis Mengler has  
offered the Clerkship of N. Y.—worth  
many thousand a year. If he would have  
accepted, the nomination would have been  
tendered him by all parties. But he de-  
clined, that he might go untrammelled to  
the field of battle. But the gullible soldier  
has a future. When peace shall have been  
returned, Thomas Francis Mengler will be  
among those whom the people will delight  
to honor.

DECLINE IN COFFEE.—The latest news  
from Rio (via England) advises a decline  
in coffee in that great market. This will  
be good news to customers here, who have  
to pay for the article higher prices than  
probably were ever before known.

Quite a battle took place at Edwards'  
Ferry on the 21st, in which Col. Baker was  
killed. The Union forces under Gen. Stone,  
1,800 strong, retired in good order in the  
face of 6,000 rebels.

The Wood train on the Northwestern  
road, in backing up at Milton junction,  
Thursday night, ran into a freight train,  
smashing the caboose, killing one man and  
wounding several others. The sufferers  
were Europeans.

Col. Walter S. Johnson has been appoint-  
ed Chief of the Police of the city of Mil-  
waukee.

The Pittsburgh, Ft. Wayne and Chicago  
railroad is to be sold at auction on the 24th.

It was finished last week at Berlin. From

the Court, of that place, we take the fol-  
lowing notice of her:

"THE NEW TUG BOAT.—The steamer  
Portage, just completed at the Berlin Found-  
ry, made her trial trip yesterday, and ex-  
cept in a few minutes' delay in fixing the  
safetyvalve, every point and particular of  
the machinery worked clear and strong, as  
an old veteran. She ran down to Oconto,  
and when she reached there, on her re-  
turn, Mr. Winn, the agent of the owners,  
expressed himself perfectly satisfied, accept  
of her as ready for service, took two barges  
in tow, and came up to Berlin again. She  
starts for Portage, where she is owned, to-  
day. G. N. Smith, of the Berlin Foundry,  
and Mr. Phelps, his foreman, who built and  
put in all her machinery, accompanied her.  
And also Mr. Rogers, of Sacramento, who  
built her hull and wood work. The fami-  
lies of Mr. Smith and Mr. Rogers, and a  
few invited guests, were likewise on board.  
Her machinery has been pronounced by old  
rivermen, as the steadiest, strongest built,  
and most economical in capacity, that has  
yet appeared on Fox River. She will  
speak for herself, and put in a good word  
for Berlin too, wherever she goes."

The tug and barges arrived here on Sat-  
urday last. C. J. Pettibone, Esq., resolved  
to freight one of the barges with wheat, and  
Wells, Craig & Bennett the other with  
flour. Three thousand bushels of wheat  
were put on the first barge, and eight hun-  
dred barrels of flour on the other. She left  
the locks at the Mill about the middle of  
the afternoon, on Wednesday last, for  
Green Bay.

These freights are taken to Green Bay  
at rates of one-half of what is paid to take  
the same to Milwaukee by rail. If a boat  
can make a trip to Green Bay and back in  
ten days, of which there is no reasonable  
doubt, it is easy to see that wheat can be  
taken to the Bay for five cents a bushel, and  
flour for eighteen cents a barrel. It now  
costs thirteen cents to take a bushel of  
wheat to Milwaukee, and forty cents a bar-  
rel of flour. If the persons who market  
their wheat here can get the benefit of the  
difference of these rates, it needs no argu-  
ment to show that our city will afford the  
best market for the lake ports.

We shall await with much interest the  
return of the Portage to the city, that we  
may learn of her success. If it shall be as  
complete as our citizens expect, steps will  
be taken at once to prepare, during the  
coming winter, such additional means of  
transportation as will enable us to com-  
mand the whole of the freighting business  
of this section.

We hope and sincerely believe we are  
not mistaken in our expectations of this  
new era in the history of the Improvement  
here; there is navigation in it, beyond ques-  
tion; the energetic Directors of our transpor-  
tation company are determined to demon-  
strate the fact. Once fairly demonstrated, no  
obstacle can prevent the Improvement from  
assuming the importance which properly  
belongs to it.—State Register.

To the Loyal Women of America.

It is suggested that societies be at once  
formed in every neighborhood where they  
are not already established, and that exist-  
ing societies of suitable organization, as  
Doras Societies, Sewing Societies, Read-  
ing Clubs, and Societies, devote them-  
selves, for a time, to the sacred service of their  
country; that energetic and respectable  
committees be appointed to call from house  
to house, and store to store, and obtain  
contributions in materials suitable to be  
made up, or money for the purchase of such  
materials; that collections be made in  
churches and schools, and factories and  
shops, for the same purpose; that contribu-  
tion boxes be placed in post offices, in  
paper offices, railroad and telegraph offices,  
public houses, restaurants and berry booths,  
and in all other suitable places, labelled  
"FOR OUR SICK AND WOUNDED"; and that  
all loyal women meet at such convenient  
times and places as may be agreed upon in  
each neighborhood and social circle, to work  
upon the materials which shall be so pro-  
cured.

Every woman in the country can, at least,  
knit a pair of woolen stockings, or, if not,  
can purchase them. In each town let  
there be concert on this subject, taking care  
that three or four sizes are produced. Fix  
upon a place for receiving, and a date when  
a package shall be transmitted, and send it  
as soon as possible to the most convenient  
of the depots of the Commission.

Blankets for single beds;  
Quilts, of cheap material, about 7 feet  
long by 50 inches wide;  
Knit Woolen Socks;  
Woolen or Cotton Chamber Bed Gowns,  
Wrappers, Undershirts and Drawers;  
Small Hair and Feather Pillows and  
Cushions; a wounded limbs;  
Shippers.

Delicacies for the sick—such as farina,  
arrow root, corn starch, cocoa, condensed  
milk, and nicely dried fruit—can be advan-  
tageously distributed by the Commission.  
Jellies should be carefully prepared to avoid  
fermentation, and most securely packed.  
Many articles of clothing have been injured  
in packages heretofore sent the Commission,  
by the breaking of jars and bottles. Over  
every vessel containing jelly, stew apple  
sugar to the depth of half an inch, and paste  
stap paper (not crumpled) over the mouth.  
Jellies sent in stone bottles arrive in the  
best condition, and there is no difficulty in  
removing the contents for use. Every  
bottle, &c., containing jelly should be label-  
led, "Aromatic spirits and waters; light  
easy chairs for convalescents; nicely made  
aprons for wounded limbs; checkers, and  
backgrounds, boards, and like articles, for  
the amusement of wounded men; books, for  
edulatory reading, and magazines, especial-  
ly illustrated, will be useful.

All articles should be closely packed in  
wooden boxes, or in very strongly wrapped  
bales, and clearly directed.—On the top of  
the contents of each box, under the cover, a  
list of what it contains should be placed; a  
duplicate of this list should be sent by mail.  
Arrangements for free transportation should  
be made, or freight paid in advance. (The  
express companies will generally convey  
goods for this purpose at a reduction on the  
usual rates.)

DEERFOOT, THE INDIAN RUNNER.—This

Indian peddler was challenged to contend  
against the three most celebrated runners  
in England, viz. Mills, Brighton and  
Windsor. The race was between these men  
and Deerfoot, on Monday, Sept. 22d. Deerfoot  
appeared on the ground in a wolf skin  
with a feather in his head-band, and tink-  
ling bells round his waist. The Indian  
went to the front at the distance of a mile  
and a half and loud cheers. White then  
tried to recover the lead, which he gained,  
but failed to retain, and at three miles had  
to succumb. The remainder of the race  
between Mills and the Indian was very ex-  
citing. There was not a yard between the  
two at the seventh mile, when the Indian  
forced the pace, and on commencing the  
eighth went right away. The Indian  
finished at his leisure, and ran the ten  
miles in fifty-four minutes and a quarter.

The Eighth Wisconsin Regiment has al-

ready entered upon active service in Mo.  
Blankets and quilts are in universal de-  
mand for the volunteers, especially in Wis-  
consin. They must be supplied by private  
contribution or sale.

The military board have been compelled  
to relax their rules, as not one-fifth of the  
volunteer officers could pass examination  
under these first laid down.

Wm. B. Astor has raised and equipped a  
regiment at his own expense.

Secretary Seward's circular about con-  
cessions occasioned a brief money panic,  
arising from fears of an impending war with  
England.

On the 16th, Maj. White, with 150 of the  
1st Missouri Scouts, recaptured Lexington  
by surprise, with all the sick and wounded,  
taking two pieces of cannon and a number  
of arms, etc., thrown away by the rebels in  
their flight. The condition of the town was  
deplorable.

The Tenth Wisconsin Regiment is or-  
dered to Kentucky.
